

Thank you for visiting www.rc-ec.ca. Please note, for the 2021 calendar year the RCEC has proactively decided to not post our traditional calendar of training programs due to Covid-19 and ongoing training restrictions for Ontario regulators. The RCEC continues to provide certain training programs that can be available on shorter notice. The courses currently available through virtual learning include:

- Confrontation Management for May 3, 2021
- “Crossing the Rubicon” tentatively for Mid to late May

Please keep an eye on the RCEC website for updates as we continue to deliver our popular “Lunch n Learns”. To date, we have delivered three since October 2020 while aiming to offer another by end of March 2021.

Thanks for continuing to support the RCEC and visiting www.rc-ec.ca. Our annual AGM is being planned for late Spring. As always, we provide courses tailored to the needs of our membership. If you wish to discuss your training needs, please contact us at www.rc-ec.ca. We welcome feedback.

Thank you!

The RCEC Board of Directors
